## U.S.E.P.A. PARTICIPATION

---

A decision by the U.S.E.P.A. Ethics Committee, in 2010, precludes employees of the agency from holding board positions in organizations such as the Region VI Pretreatment Association unless a partnership agreement has been entered into with the organization. Due to budget constraints, there is no partnership agreement between the U.S.E.P.A. and the Region VI Pretreatment Association. However, the decision does not bar U.S.E.P.A. employees from being members of the Association.

Because the U.S.E.P.A. is integral to both the purpose and success of the annual workshop, the Executive Board of the Association consults with the following U.S.E.P.A. employees in preparing the workshop agenda.
